Make sure you place this ballot in the supplied envelope with membership and payment. Don't forget that you can only have 1 person's ballot, 1 membership and 1 payment per envelope. If you have already paid your membership, contact Dana to verify that we have received your payment. If you are printing this online, make sure your forms are properly filled out and in an envelope with your name and address on the envelope. Without that, we can't accept your vote. It will only need to have 1 regular stamp. No need for extra stamps. Call Dana if you have questions.

Thank you!
